We are excited to have you as a potential speaker showcasing your Mastery to local residents interested in information about consciousness. Many are evolving from just being aware and are looking for what's next. There are others who may know what's next and waiting to find ways to put it into action.

Our mission is to provide quality, informative educational tools and fun to encourage others as they continue their journey into consciousness.

We are charging our Speakers \$100.00 speaking fee or requiring that they have a non shared exhibitor's table for \$100.00. This is a way of allowing the speakers to show their passion and commitment to their mastery and vision for themselves and the community.

We are providing Speaker with the following:

Video taping of their 20 minute talk
The videos will be placed on youtube
A DVD will be provided to the speaker.

For more information or if you have any questions regarding any of our events, please feel free to contact us.
